

a b c d e f g h i j k l m n o p q r s t u v w x y z

1 Join the prefix 'un' and the root word to form a new word.

| <i>Prefix 'un'</i> | <i>Root word</i> | <i>New word</i> |
|--------------------|------------------|-----------------|
| un                 | lock             | unlock          |
| un                 | kind             | _____           |
| un                 | pack             | _____           |
| un                 | well             | _____           |
| un                 | safe             | _____           |
| un                 | lucky            | _____           |

2 Write in the prefix and root word for each target word.

| <i>Prefix</i> | <i>Root word</i> | <i>Target word</i> |
|---------------|------------------|--------------------|
| un            | fit              | unfit              |
| _____         | _____            | unload             |
| _____         | _____            | undress            |
| _____         | _____            | unbutton           |
| _____         | _____            | uncover            |
| _____         | _____            | untie              |

3 Match the meaning to the word.

The prefix 'un' can mean 'not'.

| <b>Meaning</b> | <b>Word</b> |
|----------------|-------------|
| not happy      | unfit       |
| not fair       | unhappy     |
| not true       | unfair      |
| not fit        | untrue      |
