

Axe Valley Orchestra Day

Thursday 23rd May 2024

Children who learn orchestral instruments, such as violin and flute, were invited to make an Orchestra in a Day at Axe Valley Academy. Three of our instrumentalists attended and performed in a wonderful concert at the end of the day.

Minster Concert

Thursday 4th July 2024

Every Summer, children from St Mary's perform at The Minster as part of their summer series of lunchtime concerts. This year children from choir and String Orchestra performed, along with instrumentalists in Year 6.

Minster Concert

Mrs Burrough and Miss Wood led the choir in performing four songs: Hey Mr Miller by David Machell, Hushabye Mountain by Robert B Sherman, Get that Fly! by Sally Albrecht and Jay Althouse and Get on Board This Train by Don Besig and Nancy Price.

Minster Concert

Mrs Burrough led the String Orchestra, supported by Mrs Hurley. They played We are the Champions, Trampolining and Ping Pong, all by Kathy and David Blackwell, and bowed wonderfully to accept their applause.

Minster Concert

Our Year 6 instrumentalists performed a range of piano music, along with a Flute Trio with Mrs Gibbs.

Summer Concert

Thursday 18th July 2024

This Summer, instrumentalists across the school along with the school choir and string orchestra, performed to the whole school. Performances ranged from beginners playing just a few bars of music, to those who had been practising for several years. We hope that we have inspired the next generation of instrumentalists at school.
