

# Features of Non-Fiction Texts

## Glossary

A glossary is like a dictionary, which explains what key words from the text mean.

## Index Page

The index is usually at the back of the book. It lists important words from the book in alphabetical order.

## Captions

A caption is a phrase or sentence which explains what is shown or happening in a picture.

## Labels

Labels are words which help you to identify a picture and its parts.

## Contents Page

A contents page is at the front of a book. It tells you what is in the book in order, listing the titles of the chapters or sections.

## Photographs

These are pictures throughout the text to show you what things look like.

## Sub-headings

Sub-headings are mini titles throughout a text which tell you what that specific section is about. They are usually bold or bigger than the rest of the writing.

## Headings

A heading is the main title of the text, which tells you what the text as a whole will be about.
